The Levels differ between XP's Executioner, Win's, Mac's, and iOS's. Author Stephenie Meyer has been getting hammered by atheists on Twitter ever since she announced that her upcoming novel Breaking Dawn Part 2 will be out on November 16, 2011. And it's getting ugly. Righteous Christians are calling for Meyer's books to be banned, saying that they promote witchcraft, polygamy, and incest. More than 9,000 people have already signed a petition to take her book from the shelves. I'm a professor, and I'm not even a Christian. These Christians are sick and twisted, and they need to be publicly denounced. Some of the worst replies are from people who are obviously not atheists. And a lot of the comments are coming from Canadians. Haven't we learned not to trust Canadians? Don't forget to donate to the No Contest No Fear campaign to defend Stephenie Meyer: Donate \$10 (\$25 for Canada) - at the button above right on this page. - at the button above right on this page.
